

EC Declaration of Performance no. SaQA-13242-1

natural aggregate from Männiku quarry

- 1) **Unique identification code of the product type:** aggregate sand M1 SaQA
- 2) **Type number:** 0–2
- 3) **Intended use by the manufacturer:** aggregate
- 4) **Manufacturer's name and contact address:** AS Silikaat, Silikaltsiidi 8, 11216 Tallinn, Estonia
- 5) **System of assessment and verification of constancy of performance of the construction product:**
Verification system 2+
- 6) **The notified body, the Certification Centre of Tallinn University of Technology** performed the initial factory and factory production control inspections and continues to perform monitoring and evaluation of factory production control under system 2+ and has issued the certificate of conformity of the factory production control no. 1504-CPR-0475
- 7) **Declared performance:**

Key features:	Unit:	Performance:	Category:	Harmonized standard:
Grain size (d/D)	-	0/2	-	EVS-EN 13242:2002+A 1:2007 Aggregates for unbound and hydraulically bound materials for use in civil engineering work and road construction
Grain composition	-	-	G _F 85	
Fineness by fineness modulus	-	2.8–1.5	MF	
Fine fraction content	-	-	f_3	
Chloride content	% by weight	≤0.01	-	
Filtration module, K10	m/day	>2	-	
Specific radioactivity index I	-	<1	-	

- 8) The performance of the product described above corresponds to the declared performance (see clause 7). This Declaration of Performance has been issued under the sole responsibility of the manufacturer.

Signed by and on behalf of the manufacturer:

Vello Kunman
Member of the Management Board
